# Photography

Get a solid foundation in the technical and visual aspects of digital photography. Learn digital image capture, editing, composition, and the fundamentals of lighting from experienced professionals who have successful careers of their own.

**Total Units:** 24

The photography program consists of five required courses and one elective course. It is recommended that you begin with Photography I, as it is a prerequisite for other courses in the program. Your final course should be Photography Portfolio Workshop, so that you can apply everything you've learned.

**Completion time:** 1-1.5 years (part-time)

**Start any quarter!**
